Malnutrition Summit 2019
September 25, 2019

Target audience
This program is designed for physicians, advanced practitioners, nurses, pharmacists, dietitians and social workers/care management.

Objectives
At the completion of this course, the participant should be able to:
• discuss the metabolic changes in inflammation and critical illness and to recognize the effect of malnutrition and nutrition therapy in critically ill patients
• discuss the role of nutrition in surgical patients and effect of nutrition on the outcome of the surgery
• recognize the prevalence of malnutrition in pediatrics and screen and diagnose pediatric malnutrition
• explain the types and complications of central access for parenteral nutrition with focus on central line associated infection
• review the role of nutrition in end-of-life care and discuss the options with patients and caregivers
• discuss nutrition in continuum of care - Geisinger at Home

Attendance
Your attendance will be recorded at the conclusion of the activity on your continuing education transcript which is available on the CPD Website 24 hours a day. Here is a direct link to your transcript: http://go.geisinger.org/MyTranscript

Cancellation Policy
A full refund will be given for any cancellations received up to one week prior to the course. Less than one week, a $40 fee will be assessed. No refunds for no shows.
