Overview
We are pleased to feature an exciting program highlighting a wealth of cutting edge information from world-renowned speakers on diagnosing malnutrition. This program will present the latest information on assessing malnutrition, evaluating sarcopenia, frailty, documentation, coding, and update on government regulations. These topics will be addressed through an array of lectures to engage participants and improve learning.

Learning Objectives
Upon completion of this course, the participant will be able to:
• Understand the Global Leadership Initiative on Malnutrition (GLIM) focus on standardizing the clinical practice of malnutrition
• Implement the most up to date information on CMS ruling, documentation and coding of malnutrition
• Identify the most up to date validated research on malnutrition guidelines/characteristics
• Evaluate the use of Functional Assessment tools for diagnosing malnutrition and the relation to sarcopenia and frailty
• Outline effective nutrition interventions for improving outcomes

Friday, Nov. 15, 2019
InterContinental Hotel Cleveland

Audience
Dietitians, nurses, physicians and other healthcare Providers involved in providing clinical nutrition to patients.

Registration
Register online at www.ccfcme.org/MALNUTRITION2019
Preregistrations are required and accepted online until 3 p.m., EST, Nov. 11, 2019.

Registration fee before October 4, 2019:
$99.00 (Dietitians, Nurses, Fellows, Physicians)
$65.00 (Students, Interns)

Registration fee after October 4, 2019:
$125.00 (Dietitians, Fellows, Physicians)
$75.00 (Students, Interns)
